RE: Public Records Act Request – SB 1421

Dear Mr. Sinyangwe, MuckRock News:

The Livermore Police Department has received a number of PRA Requests under SB 1421. We are working to respond to these requests in a reasonable period of time.

We are in the process of conducting an extensive review of the records responsive to all of the PRA requests that we have received since SB 1421 took effect on January 1, 2019. Due to the need to complete this extensive review, and redact responsive documents, we anticipate records responsive to these requests will be released as follows:

1. Written reports related to incidents involving the discharge of a firearm at a person by a peace officer, and incidents in which the use of force by a peace officer against a person resulted in death, or in great bodily injury will be released as they become available. Our target date for the release of all the written records related to these incidents is May, 2019.
2. Should any records pertaining to the personnel records related to a sustained finding that a peace officer employed by the Livermore Police Department committed sexual assault or dishonesty-related misconduct be responsive, the written records will be released as they become available. Our target date for the release of all the written records related to these incidents is May, 2019.
3. Video and audio recordings will require substantial review, and redaction to protect victims, witnesses, and other entities privacy and personal information. We will provide an estimate of time and cost associated with redacting the audio and video recordings at the beginning of May, 2019 after we have released all of the responsive written documents.

Should any of the above be delayed, we will contact requesters with updates to release dates. We appreciate your patience and understanding as we work to produce the records responsive to the large volume of requests that we have received. If you have any question, you can contact the Records Division at the Livermore Police Department at (925) 371-4909.

Sincerely,
